

# The Hallelujah Chorus

Nathan H. Bullock, G.T. Speer

## Verse 1

There is a blessed anthem god put in me to stay  
This world knows nothing like it, it sweeter grows each day  
It rises o'er the mountains, it's deeper than the sea  
This holy, happy chorus, salvation put in me

## Chorus

I don't know what to call it, bliss beyond control  
(I don't know what to call is, 'tis bliss beyond control)  
This chorus, hallelujah, ringing in my soul  
(This hallelujah chorus that's ringing in my soul)  
No language ever spoken, half my joy portray  
(No language ever spoken, can half my joy portray)  
Hallelujah, halleluah, Heaven came to stay  
(Since sin went out forever and sweet Heaven came to stay)

## Verse 2

This hallelujah chorus of triumph over sin  
Of uttermost salvation, and holy joy within  
Began when peace and pardon came in a mighty flood  
And filled the holy temple, made ready by the blood

## Repeat Chorus

## Verse 3

And when this human organ can sing no more below  
'Twill sound a sweeter anthem above me when I'll go  
To sing with all the angels and Jesus whom I love  
This hallelujah chorus, forever more above

## Repeat Chorus twice
